GENiUS Payslip Online System

Company Profile

Human resource management in the organization is the heart of all businesses and every company. Thai Software Enterprise, the leader of accounting system development, has been growing for more than 10 years, with ISO 9001: 2008 as our quality standard guarantee. We are determined to explore and invent the most effective systems to support the needs of executives and human resource staff, ensuring that their work run smoothly and completely. We support all sizes and all types of business to grow sustainably with a strong foundation. You can trust our professional team and representatives. We are your assistance, prepared and ready to serve you with understanding and expertise.

General Description of GENIUS Payslip Online

Thai Software Payslip Online has been developed in the form of 100% complete web application through cloud computing system that supports Thai Software GENIUS PR program. It is very appropriate when adapting to the work system, convenient for users, reducing cost, and increasing efficiency. It is suitable for organizations that wish to reduce the time and resources in printing and reducing pay slips to employees. They have an alternative way to send the pay slip, which is using email. Thus, employees can receive their payslip from wherever they are, through their smart phones, tablets, and computers. They will also be able check their past pay slips and print them out.

Tel: 0-2575-3959 Fax: 0-2575-3963 Web Site: www.genius.in.th E-mail: info@thaisoftware.co.th
